

**CITY OF SHERIDAN
PERMIT TO CONSTRUCT
PUBLIC WORKS AND UTILITY PROJECTS**

 X NEW

PERMIT NO. 2023-15

 RENEWAL

 MODIFIED

Sheridan County Courthouse Fire Service Reconstruction
(Name of Facility)

This permit hereby authorizes the applicant (name and address)
Sheridan County, 224 S. Main Street Sheridan, Wyoming 82801

CITY of SHERIDAN, SHERIDAN, Wyoming

to construct, install, or modify Sheridan County Courthouse Fire Service Reconstruction
facility according to the procedures and conditions of the application No. 2023-15

The facility is located in the SE , Se , Sec. 27 T 56 N, R 84 W,
Address Sheridan County, 224 S. Main Street Sheridan, Wyoming 82801

Special conditions pertaining to this permit are:

1. All work shall conform to the City of Sheridan Public Infrastructure Design Standards, as amended, or as specified in the contract documents.
2. The proposed improvements will be constructed as shown on the approved set of plans. Any modifications to the proposed improvements shall be submitted to the City Utility Director.
3. The Owner and his Engineer are responsible for complying with Sections 102 and 103 of the City of Sheridan Design Standards. These correspond to general requirements and procedures for construction and for City approval of a project.
4. All quality control testing shall be done in accordance with the City of Sheridan Standard Construction Specifications and the City of Sheridan Public Infrastructure Design Standards. Copies of all test reports will be provided to the City Utility Director.
5. The Project Engineer shall submit weekly reports to the City Utility Director outlining the progress made. Photocopies of the Engineer's and/or Project Inspector's daily reports are satisfactory. You are required to provide ties to all water and sewer service installed, including depth at the property line. This information shall be provided in summary form when all services are installed.

6. The contractor will provide dust control on the site at all times. Dust control will be provided immediately upon the request of the City Sheridan Utility Director or his representative.

This permit shall be effective for a period of Five (5) years from the date of issuance.

The issuance of this permit provides that the City of Sheridan has evaluated and determined that the application meets minimum applicable construction and design standards. The compliance with construction standards and the operation and maintenance of the facility to meet the applicant's engineer's design are the responsibility of the applicant, owner, or operator.

Nothing in this permit constitutes an endorsement of the construction or the design of the facility described herein. This permit indicates only that the applicant proposes to meet the standards of design and construction required by the Construction Specifications and Design Standards.

The permittee shall allow authorized representatives from the Department of Environmental Quality, Water Quality Division, and the City of Sheridan, upon the presentation of credentials and during working hours, to have access to inspect the facilities, at the above location, for the purpose of compliance with the provision of this construction permit.

Nathan Rager has been assigned to this project as the City of Sheridan's Project Manager. The permittee shall notify and schedule the date and time of the pre-construction meeting before construction commences. Nathan's contact information 307.675.4236 or by e-mail at nrager@sheridanwy.gov

Nothing in this permit shall be construed to preclude the institution of any legal action or relieve the permittee from any responsibilities, liabilities, or penalties, established pursuant to any applicable State or City law or regulation.

The issuance of this permit does not convey any property rights in either real or personal property, or any exclusive privileges, nor does it authorize any injury to private property or any invasion of personal rights, nor any infringement of Federal, State, or Local laws or regulations.
